Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

PROZAC DIARY (NEW EDITION)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Prozac Diary (New edition), Lauren Slater, In 1988, at age 26, Lauren Slater lived alone in a basement apartment in Cambridge, depressed, suicidal, unemployed. Ten years later, she is a psychologist running her own clinic, an award-winning writer, and happily married. The transformation in her life was brought about by Prozac. Prozac Diary is Lauren Slater's incisive account of a life restored to productivity, creativity, and love. When she wakes up one morning and finds that her demons no longer have a hold on her, Slater struggles with the strange state of being well after a lifetime of craziness. Yet this is no hymn to a miracle pharmaceutical. It is a frankly ambivalent quest for the truth of self behind an ongoing reliance on a drug. Slater also addresses Prozac's notorious "poop-out" effect and its devastating attack on her libido. This is the first memoir to reflect on long-term Prozac use, and reviewers agree that no one has written about Prozac with such beauty, honesty, and insight.
