Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

TESTIMONY OF THE MONTHLY MEETING OF FRIENDS, AT PYRMONT IN WESTPHALIA, GERMANY, CONCERNING JOHN PEMBERTON, PHILADELPHIA IN NORTH AMERICA: WITH HIS EPISTLE TO THE INHABITANTS OF AMSTERDAM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Testimony of the Monthly Meeting of Friends, at Pymont in Westphalia, Germany, Concerning John Pemberton, Philadelphia in North America: With His Epistle to the Inhabitants of Amsterdam A Sentiment of the wife William Penn, on an occasion similar to the present, may here be fitly revived: It is not always enough (he says) that we bring our friends to their graves; there is a duty we owe to their memories, when they are buried out of the view of the living, especially when their own integrity and diligence in the work of the Lord, have left their own monuments (or evidences) behind them, that they might not be forgotten by their survivors. The like considerations have prevailed in our religious society from early times, to preserve memorials of many, who by precept and example, have manifested an uniform dedication of heart for promoting the temporal and eternal happiness of mankind, and were instrumental, under the divine anointing, to spread the glad tidings of the gospel in the earth; who, on the approach of the solemn period of life, have been mercifully favoured with a sustaining foretaste of the full fruition of that unmixed consolation and joy unspeakable which our Lord promised, for the encouragement of his faithful servants, should be their reward.
