

Listen to Your Kids: Solutions for Distraught Teachers and Parents (Hardback)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

LISTEN TO YOUR KIDS: SOLUTIONS FOR DISTRAUGHT TEACHERS AND PARENTS (HARDBACK)

iUniverse, United States, 2011. Hardback. Book Condition: New. 218 x 145 mm. Language: English . Brand New Book. Our schools are failing your kids. In Listen to Your Kids, author and veteran teacher Thomas Harvey explains the why and tells you what you can do help solve this crisis. A personal account from the front lines of education s battlefield-the classroom- Listen to Your Kids provides a broad discussion of secondary education and invites parents, teachers, and administrators to open an honest and thought-provoking dialogue about educational reform. Harvey demonstrates how school reform should not be about money or testing but rather about nourishing each student s soul. Sharing powerful personal approaches to connecting with teenagers, he imparts simple strategies for transforming indifferent, angry, and struggling students into optimistic and successful young adults. Filled with anecdotes and letters from students, Listen to Your Kids presents a how-to manual for creating emotionally rich and respectful relationships that are powerful antidotes to the apathy felt by so many students toward school. It provides ample evidence to show that an emotionally healthy educational environment produces academically healthier kids.
