LEAVINGS: POEMS

COUNTERPOINT, United States, 2011. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. No one writes like Wendell Berry. Whether essay, novel, story, or poem, his inimitable voice rings true, as natural as the land he has farmed in Kentucky for over forty years. Berry's life is a long witness of love and celebration, and he writes as a poet of deep intimacy with the natural world and the lost heart of our country. With his family and friends, he continues the devotion that had him saying almost thirty years ago, What I stand for is what I stand on. It has been six years since his last volume of poetry, the widely praised *Given*, and this new collection offers a masterful blend of elegies, lyrics, and letters, with the occasional short love poem. Alternately amused, outraged, and resolved, Berry's welcome voice is the constant in this varied mix. As he looks back on his long life, his work resonates with a renewed depth. The book concludes with a new sequence of Sabbath poems, works occasioned by Berry's Sunday morning walks of meditation and observation.
