Brand New Book ***** Print on Demand *****.Tarry is a vendor at the Farmers Market in New Orleans, a man who brings his produce to sell to the customers who stroll through the stalls and booths every Saturday morning. His are the best crabs, fishes, berries and other fruits available at the market, the most sought-after by the buyers, because he brings them directly from his home in the bayou. Tarry knows the plants seasons and their currents of ripeness and readiness better than anyone else; he s unusual, a man with skin that acts as a plant-like organ, able to convert sunlight to energy, due to an experimental operation that saved his life as a youth, when an otherwise fatal illness was cured by the conversion. Millions of other people have had the same operation as well in subsequent years, the photosynthetic enhancement conversion; now they all can not only live off sunlight, but they can sense the messages that the plants share with one another, giving them insight into the lives and needs of plants. And the PSEs have become a culture all...
