OSCAR WILDE A CRITICAL STUDY

BiblioLife. Paperback. Book Condition: New. This item is printed on demand. Paperback. 216 pages. Dimensions: 7.8in. x 5.0in. x 0.7in. This volume was published in 1912. Excerpts from the books Introduction: It is too easy to talk glibly of the choice between life and literature. No choice can be made between them. The whole is greater than its part, and literature is at once the child and the stimulus of life, inseparable from it. But, beside art, life has other activities, all of which aspire to the self-consciousness that art makes possible. The artist himself, for all his gift of tongues, is not blinded by the descending light to the plastic qualities of the existence that fires his words and is itself intensified by his speech. He, too, moves in walled town or on the green earth, and has a little time in which to build two memories, one for his fellows, and another, a secret diary, to carry with him when he dies. In his life, his books or pictures or brave harmonies of music are but moments, notes of colour in a composition vital to himself. And when we speak so carelessly of a choice between life and literature, we do not mean a choice. We only compare the vividness of a mans whole life, as we perceive it, with that of those portions of it that he spent in books. Sometimes we wonder which is more alive.
