Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)*

HOW WARS WERE WON: A SHORT STUDY OF NAPOLEON S TIMES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from How Wars Were Won: A Short Study of Napoleon s Times In putting into book, form a course of lectures given to the elder half of the Officers Training Corps at Harrow, I have chiefly kept in mind the requirements of those who are beginning to fit themselves as soldiers - whether they intend to make the Army a career or merely to carry out a Britons duty of learning enough to be able to help his country, if the need should come. Almost invariably boys prefer military History to any other branch of that subject; not because it recounts deeds of heroism and so forth - though people are apt to think this, is the reason - but because it is new to them. There is, so much of the ordinary ground of history to be gone over that the time for exploration into outlying districts is scanty; and the path is often so trampled and worn as to become monotonous to the ordinary boy. Yet the same boy will attend keenly to intricate details, and even to long explanations of how troops moved and marched, because it is a form of history which is fresh to him, because it gives him an opportunity to think, and because it induces him to believe that he is learning instead of working. Every teacher knows this. It is therefore to be hoped that this book, which is intended to set out some main illustrations of the success of the French at the time when they were the great military nation - and the terror - of Europe, the reasons why they -were so formidable, and the circumstances...
