30 Degrees South Publishers. Paperback. Book Condition: new. BRAND NEW, Cheetah: The Rhodesian Light Infantry 50th Anniversary Edition, Chris Cocks, "The Cheetah" is the regimental association magazine for the Rhodesian Light Infantry (RLI). It was last published in hard-copy format in 1960 at the disbandment of the RLI following the cessation of the bush war in the embryonic republic of Zimbabwe Prior to this, the magazine, renowned for its witty and informed content, was a much sought-after and eagerly-awaited publication for civilians and servicemen alike, being sold commercially through the southern African book trade. (Today, original copies change hands for ridiculously high prices, being regarded as collectibles). With the revival of the RLI Regimental Association (RLIRA) in 2007, the magazine has been published on a quarterly basis since then, in electronic format, also being viewable on the RLIRA website. To celebrate the 50th anniversary of the founding of the RLI on 1 February 1961 and 30 years after the disbandment of the regiment, the RLIRA has decided to bring out this hard copy commemorative glossy edition that takes a nostalgic journey back in time, as well as highlighting the association's efforts of today in keeping the regimental esprit de corps alive.
