Brand New Book ***** Print on Demand *****.Excerpt from Lessons in Disinfection and Sterilisation an Elementary Course of Bacteriology, Together With a Scheme of Practical Experiments Illustrating the Subject-Matter This little book owes its origin to a practical class which I conducted in the summer vacation of 1902 for some of the nursing staff of St. Bartholomew s Hospital. It is an expansion of the lectures and practical work of which that class consisted, and I have been induced to publish it because there seems to be no elementary book which deals with the bacteriological aspects of disinfection in a systematic manner. Sterilisation and disinfection play so important a part in modern medicine, surgery, obstetrics, and public health, that their principles require to be understood by those who would practise them intelligently. They are problems in physics and chemistry applied to bacteriology, and can only be grasped from this point of view. The majority of those who are called upon to practise them have neither time nor opportunity for a complete course of bacteriological study, but it is not a difficult thing for any...

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.
