Reviews

Extremely helpful to all of group of individuals. It really is loaded with knowledge and wisdom Its been designed in an extremely basic way and is particularly simply after i finished reading through this ebook where actually altered me, affect the way i believe.

(Lily Ryan)

CONCISE MUSHROOM GUIDE

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Concise Mushroom Guide, Bloomsbury Group, This beautifully illustrated mini field guide is packed with information on 200 species of fungi found in Britain and the near Continent. The range covered demonstrates the incredible variety that exists within the world of fungi, from the better-known groups such as the boletes and russulas, to more esoteric and often strangely shaped types like bracket fungi, clubs, corals, puffballs, stinkhorns and elfcups. All the species are illustrated with superb full-colour artworks that show - where relevant - characteristics of shape and other aspects of appearance that change during their lives. A concise written account covers size, description, habitat and the season in which each fungus may be found. The easy-to-follow layouts and superb artworks aid quick and accurate identification, making this book an indispensable reference in the field as well as at home. It is compact enough to fit in the pocket, yet packed with essential information for the nature enthusiast. To protect it against the elements in the field, this book is wrapped in a durable plastic wallet. It also includes a foldout insert with at-a-glance illustrations showing comparisons between similar-looking fungi. Renowned natural history artists including Cy Baker, David Daly, Colin Emberson and Lyn Wells painted the illustrations.
