Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THOSE DAMN YANKEES: THE SECRET LIFE OF AMERICA'S GREATEST FRANCHISE

Verso Books. Hardback. Book Condition: new. BRAND NEW, Those Damn Yankees: The Secret Life of America's Greatest Franchise, Dean Chadwin, It was the perfect season. In 1998, baseball's fans thrilled to Sammy Sosa and Mark McGwire's home run slugfest and the Yankees won more games in a season than any team in Major League history. Baseball boomed across the US but the biggest bang was in New York where millions celebrated at a victory motorcade along the Avenue of Heroes. It takes courage, and perhaps a little perversity, to decline an invitation to such a party, but Dean Chadwin was otherwise engaged. In a savvy, discursive look at the Yankees' 1998 season Chadwin questions whether the foundation of the team's victory, unmatched television revenues being used to buy the best players, might not spell the end of competition and declining public interest in the national game. Records tumbled, Chadwin contends, less because of unprecedented excellence than as a result of grotesquely unequal competition between the haves and have-nots of the Major League, an imbalance which shows every sign of getting worse. Chadwin's irreverent journey is taken on rarely traveled byways through the Yankee legend: a century of fan misbehavior, the roots of statistical obsessions, the corrupt ties between the game and the media, and fraught attitudes toward race and sexuality which continue to haunt the franchise today. Readers are seated on the bleachers to hear the Creature's fifth inning anthem 'YMCA', sung to the words 'Why are you gay?', and are escorted to the office of the Boss as he shafts Darryl Strawberry, sues his partners, and tells Mayor Rudy Giuliani that, if he is good, he'll be allowed to donate hundreds of millions of public money toward a new stadium. Those Damn Yankees sounds a warning on the future...
