Dover Publications Inc., United States, 2009. Paperback. Book Condition: New. Reprint. 306 x 234 mm. Language: English . Brand New Book. Beethoven s bagatelles are short compositions written over the span of the composer s lifetime, from the early to the late periods. Ranging from easy to intermediate level, these popular pieces display a wide variety of moods and musical ideas and are favorites with students and accomplished pianists alike. The Romantic era abounded in short compositions for piano: etudes, serenades, impromptus, and other miniatures. Beethoven s term for his refined little piano gems was Kleinigkeiten small things or bagatelles. Although the public expected symphonic abundance from a composer of his stature, Beethoven was reputed to take particular satisfaction in the challenge of distilling his musical ideas into a concentrated form. Reprinted from authoritative editions, this collection presents all 27 of the composer s bagatelles, including the well-loved Fur Elise.
