

Economic Peace Through the Israeli Lens

By Naval Postgraduate School

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The economic factors in the Arab-Israeli Conflict are often overshadowed by its more powerful political features, but economics plays a significant, if not equal, role in the conflict's protracted nature. Like politics, however, economics cannot singlehandedly harbor a solution. From Israel's perspective alone, a solution based on economic peace faces serious obstacles: Israeli nationalism, the State-reliant structure of Israel's economy, and the imbalance of power between Israel and Palestine mean the preconditions for economic peace are currently unattainable. This book outlines the obstacles to economic peace but does not hasten to reject an economic approach to an ultimate agreement. Rather, this examination of why, under existing conditions, economic peace will fail exposes the political economy of the conflict in Israel. Until the obstacles to economic peace, as defined by scholars rather than politicians are addressed and surmounted, peace, whether it be called a primarily economic or political peace, will remain elusive. Economic peace, therefore, warrants serious consideration as a gauge of both the economic and political conditions necessary for any lasting compromise and as a...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
