HarperCollins Publishers Inc, United States, 2014. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. A devastating compendium of the president s false and misleading statements on matters great and smallIn November 2009, after listening to President Obama read a litany of impossible health care promises--including the now-famous Nothing in our plan requires you to change what you have -- Representative Joe Wilson of South Carolina vehemently shouted, You lie! Wilson was roundly chastised by both parties. But he was ultimately proved right. Obama was lying--to Congress, to the press, and to the American people. And not just about health care, but about very nearly everything.In fact, Barack Obama has been lying about his personal history and his political philosophy since he first emerged on the political scene in 1995. But throughout his meteoric rise and the first five years of his presidency, the media turned a blind eye.Now, in You Lie!, journalist and author Jack Cashill provides an authoritative and entertaining guide to Barack Obama s numerous evasions, contradictions, misstatements, deceptions, untruths, and outright falsehoods, beginning with the deliberate distortions in Dreams from My Father and continuing through his political career and his years in the White House.Obama s lying knows no bounds. Some of the boldest include Over the next two years, this plan will save or create 3.5 million jobs. I intend to close Guantanamo, and I will follow through on that. This administration has done more for the security of the state of Israel than any previous administration. Under our plan, no federal dollars will be used to fund abortions, and federal conscience laws will remain in place. Transparency and the rule of law will be the touchstones of this presidency. And, of course, If you like your doctor, you will be...
