Peggy was fired as a delicate situation occurred between the store owner s son and Peggy. She became more and more relying on skating, it gave her the drive she was seeking. Peggy had speed and talent she was inspired by a little morning dove who flew around the rink in perfect rhythm with Peggy s graceful movements. I am an elderly person who likes the outdoors very much. I enjoy fishing, gardening and writing books. I started writing at a tender age as my two children were growing up and in school. I would become bored with the book and place it in the closet for a later date. I would again get the craze to write another book, I would get about a hundred pages written and would wrestle with an ending, become bored, again I would place that book into the closet. The third and fourth books wrote, I decided I would stop writing as my Mother became very ill and needed my care. I started writing again because an Angel from Heaven sent by God to oversee me after s my Husband s death insisted I must write.
