Brand New Book ***** Print on Demand *****.In todays modern, fast paced world, everything is connected through the internet. Brick and mortar businesses have caught up with the changing trend and are now putting up their business on the web. The dawn of the internet era has also enabled the little guys, people just like you and me, to make some decent income online. However, things are not as easy as it may seem. While the promise of making millions from the internet may sound alluring, there are many pitfalls to watch out for. Every day, you see so many products popping up in the marketplace, each claiming to be the silver bullet that will help you generate cash on demand. You begin to learn about things like affiliate marketing, blogging, ecommerce and the list goes on. Every single day, there are new gurus popping up in the scene. If you are not careful, you will end up pumping in thousands of dollars into worthless software and business programs that do not generate any revenue. Well, I did and had lost 30K in the process. "Eight Lessons I Learnt from Losing 30K in My Quest to Become an Internet Millionaire" is a cautionary tale, my personal story which contains valuable lessons that will help you save lots of money before you even get started. Yes, the tone of the book may be depressing but it is a wake-up call from the financial misery that you will suffer if you choose not to heed the advice presented. Here is a glimpse of what you will get: 1. Two paid advertising platform to avoid if you are just starting out so you dont lose...
