Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

BRULES

Bantam Doubleday Dell Publishing Group Inc, United States, 1995. Paperback. Book Condition: New. 175 x 102 mm. Language: English . Brand New Book. Not so many years ago, rumor had it that the grizzled mountain man living by himself in a cabin on Lone Cone Peak in southwestern Colorado was an outlaw to stay clear of. A true survivor of the woolliest days of America s great move westward, he was a man with chilling memories and few regrets, a legend folks whispered about for years - a hard, hurting cowboy. His name was Brules. Cat Brules began life as a wild, full-of-the-devil young plainsman. He rode carefree and hell-bent on his favorite horse across Kansas, where he met a girl and fell in love. He drove a mule team deep into buffalo country with a starry-eyed scheme to strike it rich, and he had the deadly misfortune to lose his best friend to the Comanches. And from that point on Brules became a man in search of justice and his own soul.a man whose life would embrace the whole short, passionate history of the Old West. Bringing to life this grand, sweeping novel is a feat of sheer storytelling genius. The tale unfolds as Brules tells it to a young man who dared to approach the gritty outlaw s lonely cabin and was rewarded with the story of Cat Brules s life.of his one brief, passionate love with Wild Rose, a Shoshone woman; of his unshakable friendship with a silver-spurred Mexican named Pedro; and of his one-man war against those who robbed him of his girl, his friend, and his heart. Written by Harry Combs, the charismatic eighty-year-old aviator and outdoorsman, Brules began as a story Combs told to his grandchildren and grew into this sprawling, impeccably researched historical...
