By Jennifer Degl

Lemon Tree Publishing. Paperback. Book Condition: New. Paperback. 152 pages. If you enjoy memoirs, this book is a must-read. In this gripping memoir, Jennifer Degl brings her readers on an emotional roller coaster from the decision to get pregnant and nearly dying four times during her pregnancy to the birth of her daughter, Joy, seventeen weeks early, and this tiny baby's fight to survive. On the night her daughter was born, Jennifer started a journal on a sheet of paper given to her by a nurse. Once she was discharged from the hospital, a little blue notebook in which she wrote everything became Jennifer's constant companion. Five months after the birth of her daughter, Jennifer went to write in her notebook; instead, she sat down and read her journal cover to cover. That's when she knew she had to tell this story. A remarkable story, From Hope to Joy is filled with love, determination, strength, hope and finally Joy. Grab your copy today! This item ships from multiple locations.
