State Agricultural Society: On the Statistics, Pathology and Treatment of the Epizootic Disease Known as the Rinderpest Mr. Judd, as Chairman of the Special Committee appointed on the subject of the Rinderpest, presented the following resolution, which was unanimously adopted: Resolved, That the Executive Committee of the New York State Agricultural Society are requested to give special attention to the progress of the Rinderpest in foreign countries, and to the danger of its introduction here. That they be empowered to use such measures as they may deem expedient for obtaining and publishing information in regard to the ravages and character of the disease, preventives and remedies to be used, etc., and that if, in their judgment, it at any time appears necessary or desirable, they are authorized to employ one or more competent persons to make investigations and procure reliable information either at home or abroad. Mr. Conger moved the following resolution, prefacing its presentation with the expression of his desire that the President of the Society might be named as Chairman: Resolved, That the subject of the Rinderpest be referred to a committee of five to prepare from foreign papers and other sources a general outline of the statistics and pathological character of the disease, with such suggestions as to remedial or preventive methods, as may be deemed advisable for the farmers of the State to pursue in the treatment of the disease, in the event of its appearance in this country during the ensuing year. The resolution was adopted, and the President, Mr. Gould, Hon. A....
