Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Day of the Crescent: Glimpses of Old Turkey* This book issues from the press on the eve of the conclusions of the Turkish Peace Treaty. The occasion lends an added piquancy to the subject. Turkey in defeat contrasts with Turkey triumphant and the gulf between gives the measure of a nation's fall. The Treaty, unless all the signs are at fault, will reduce a straggling and divided Empire to a compact and unified State, and launch Turkey on a new era of existence as an ethnical unit. Her development on these new lines will profoundly affect the course of history in the Nearer East and will certainly be watched keenly by all who study the trend of events in that quarter of the globe. In this class of readers one may safely postulate a retrospective interest in the nation's past, and to them I confidently commend this humble attempt to create a picture of the golden age of Turkey. For the rest, my aim will be rewarded if the book makes an appeal to the sense we all possess for the exotic and picturesque, while throwing a little fresh light on the history and character of a people whom Englishmen have found worthy of their steel ever since the days when first they met in glorious Christian field, Streaming the ensign of the Christian cross Against black pagans, Turks, and Saracens. (Richard II, IV. I.) About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
