Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, Violet Mackerel's Pocket Protest, Anna Branford, Elanna Allen, In this sixth story of the Violet Mackerel series, Violet and Rose start a very small protest to make a very big impact. Violet and Rose have shared their best secrets under the big oak tree in Clover Park. And they have found some very good small things there too. So when "Johnson's Tree Services" stomps in and posts a sign that says PUBLIC NOTICE-TREE REMOVAL, they know that they must do something to stop them. When their first protest washes away in the rain, Violet and Rose feel discouraged. But then they realize that the sort of people who care most about small things, like birds not having nests and people not having a place to collect acorns, might also be the sort of people who notice very "small" protests. And that gives them a quite brilliant idea, one that just might save their tree, on behalf of all the small things--and small people--who love it.
