The problem is that many people are simply unaware of what must be done to maintain good health. Our poor lifestyles are the roadblocks keeping us from achieving optimum fitness. One-half of the problem has to do with our diets that are mostly filled with junk. Unfortunately, eating like this keeps our fitness goals from being nothing more than dreams. This type of food has no nutritional value and is usually filled with more calories than we need. Additionally, we have come to love a sedentary lifestyle, and much of our time is spent watching TV...
