

Hey! What's My Number?: How to Improve the Odds You Will Retire in Comfort

By Christopher Carosa

Pandimensional Solutions, Inc., United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you want to see how the drive to living a comfortable retirement is easier than you think? Buy this book to learn: Hey! What's My Number? reveals a four-step process that gives you a clear, easy-to-understand road map to that comfortable retirement. It features a never-before-seen Hey! What's My Number? Retirement Readiness calculator that acts like a check engine light for your retirement savings vehicle. Several advantages set this free web-based tool apart from the many retirement calculator clones every broker insists you use. For example, the only data you need is already at your fingertips. You don't have to guess how long you expect to live (no one really knows that anyway). You don't have to guess the future direction of key economic data like inflation, market returns, and the nation's GDP (not even professionals can do this). Most satisfying to many, you also don't have to guess what you'll spend when you retire (although you could if you want - yes, the calculator is that flexible)....
