Brand New Book ***** Print on Demand *****.Excerpt from Announcements and Price Lists: September, 1917 1. During the year 1917- 18 the Bureau of Educational Measurements and Standards will continue, as heretofore, to supply teachers and superintendents tests and scales. For all these, complete directions and tabulation sheets will be supplied. In case we fail to supply a sufficient number of record sheets we are always glad to send additional ones on request. If any difficulty is experienced in administering the tests we are always glad to answer questions. 2. We shall continue the standardization of the tests which are distributed from the office of the Bureau of Educational Measurements and Standards. In order that this may be done effectively it is necessary that all who profit by our services report their scores promptly. If a sufficient number of class record sheets have not been furnished with the tests so that duplicates may be retained by the teacher, we will be glad to supply additional ones upon request. 3. A series of standardized tests in arithmetic, reading and spelling are being published and will be available for use during this year. In addition we are publishing a composition scale which gives promise of being worth while. 4. During the year 1917- 18 we shall make a special study of the difficulties which pupils experience in learning. Some work has already been done in spelling, and we expect to extend it during this year to at least arithmetic and reading. Before it will be possible for us to assist most effectively those pupils who have low scores, it will be necessary that we know more about the difficulties which children experience in learning. Special directions...
