## Gone to the Sea: Selected Stories, Voyages, and Profiles

By Herb McCormick

Paradise Cay Publications, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. A fifth-generation native of Newport, Rhode Island, Herb McCormick has been racing and cruising from above the Arctic Circle to Antarctica-and chronicling his adventures and travels in magazines, newspapers and on the Internet-for over three decades. An anthology of his best profiles and articles, including first person accounts of sailing in such classic events as the Sydney-Hobart Race and rounding Cape Horn, *Gone to the Sea* is an eclectic collection of stories that range from a prophetic cruise with his daughter; to an in-depth post mortem of solo sailor Mike Plant's final, mysterious voyage; to what it's really like to spend a hectic day with Americas Cup legend Dennis Conner. The former editor-in-chief of *Cruising World* magazine and yachting correspondent for *The New York Times*, McCormick has notched over 75,000 offshore miles in his sailing career, including the historic 2009-2010 Around the Americas expedition that circumnavigated North and South America via the Northwest Passage and Cape Horn. As an award-winning journalist, he's been honored with the National Marine Manufacturer Association's prestigious Director's Award and the BoatUS.
