## If I Should Die Before It Wakes, and other stories

By Allen Whitlock

Paperback. Book Condition: New. Paperback. 146 pages. Surprise, humor and suspense weave through these six spell-binding stories penned by sci-fi maverick Allen Whitlock. In the novella-length *If I Should Die Before It Wakes*, readers join marine biologist John Cheswell on a Crichton-styled eco-thriller as he discovers the horror set to awaken in the world's oceans. In *Concerning the Death of Robert Logan on CV-IV* a team of nerdy zenolinguists try to solve the mystery of an abandoned planet where misinterpreting one word begets astonishing consequences. In *Assisted Living*, a malfunction causes a robot designed for teen amusement to attain self-consciousness and lands him in an elder-care facility. In *I Follow the Sun*, a man and a vampire go into a Singapore bar yet only one leaves. In *Killing Time*, a bizarre murder confession leads a Boston detective to a group of scientists with a time machine. Unveil the horrifying reason a man must always wear a blindfold in *Out of Sight*. Whitlock's imagination and wit are boundless. Get ready for a romp through time, space and dimension! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
