Brand New Book ***** Print on Demand *****.This master dissertation focuses on the challenges faced by small and medium enterprises while accessing international markets and the appropriate strategies adopted to cope with these challenges. Particularly it focuses on challenges from the management point of view focusing on exporting SMEs that already have firms in international markets. The study seeks to find out about the major challenges facing them and those firms that have overcome these challenges how they did overcome by finding out what strategies were adopted or what measures were taken so as to avoid facing such challenges in future. Challenges faced by SMEs when starting to venture into the international markets are more in developing countries where they face challenges face due to the less educated managerial staff for strategic formation and external support for internationalization process. Further, the growth of SMEs in any country also depends upon the availability of resources and support of external organizations. SMEs are not big enough like large organizations, nor do they have enough resources to survive in the international market. In developing countries, SMEs face more...
