Femininity is indispensable. Women motivational abilities make them outstanding managers of human and economic resources. They represent the magic wand for progress and development, stability, peace and prosperity. They do better in education, health-care, socio-economics, politics and focus better with political savvy and sagacity, transparency, security and spirituality. They excel in diplomacy, peaceful conflict resolution, love, empathy, sincerity, responsibility and discrimination-free irrespective of race, color, religion, gender or disability. Antithetically, manhood characterizes war presidency, defensiveness, negligence and staying the course with failed policies, prosecuting avoidable wars instead of diplomacy to win hearts and peace. Unwittingly, they sacrificed over 3,000 US soldiers, 20,000 wounded, over \$500 billion and created scandals and civil war. If the first woman Eve turned the world up-side-down, great women world-wide should realign it upward and forward moving. Unequivocally, a woman US President can speedily restore America s image which is at its lowest ebb. GOD BLESS AMERICA!.
